Washington, D.C. 20231

Dear Sir:

This statement is filed to identify potentially pertinent parts of the references identified below. No admission or representation is made that the references are or are not pertinent or usable as prior art; the references speak for themselves.

**The Examiner is urged to review the references directly**, for two reasons. First, the applicant may not have found every pertinent part of the references. The present disclosure is meant to be representative, not exhaustive. Second, the parts of each reference identified here should be considered in the context of the complete reference.

The Examiner is requested to initial both copies of the enclosed PTO-1449 (modified)  
and return one copy to the applicants to indicate consideration of the enclosed references.
